

**Please note** that *Incidental Fees* are based on your course registration per academic period; the *Fall* academic period is September - December and the *Winter* academic period is January - April. *Academic Fees* are charged on a per course basis. An "incoming" student is: (1) one who is beginning studies at TST for the first time; or (2) one who is returning to TST after at least eight years' absence; or (3) one who is beginning studies at TST at a different level of program (e.g., Th.D. from Th.M., or Th.M. from M.Div., but not M.Div. from M.T.S.). All other students are "returning" students. All fees are in Canadian dollars.
